ABOUT ME

Digital marketing specialist with 6+ years of experience in paid media, performance marketing and analytics. Experienced in full-funnel strategy, media planning, budget allocation and campaign analysis across multiple industries. I enjoy digging into performance data, understanding what drives results and turning insights into practical recommendations.

CORE SKILLS

Performance Marketing: Paid Media · Full-Funnel Strategy · Media Mix · Media Planning & Budget Allocation · Campaign Optimization · A/B Testing · KPI & Conversion Analysis

Platforms: Meta · TikTok · LinkedIn · Snapchat

Data & Analytics: GA4 · GTM · SQL (working knowledge) · Tableau · Looker Studio · Data Visualization & Reporting

PROFESSIONAL EXPERIENCE

Paid Social & Content Specialist

Tre Kronor Media | Jan 2025 – Present

- Manage paid social campaigns for brands including Kenwood, De'Longhi, E.ON, Braun and EKO Stormarknad across e-commerce, retail and other industries.
- Plan and execute full-funnel strategies across Meta, TikTok and LinkedIn based on business objectives and target audiences.
- Work with media mix, channel selection and budget allocation, adjusting investment based on objectives and campaign performance.
- Analyze campaign and paid-media funnel performance, using KPIs and A/B testing to identify opportunities and optimize results.
- Translate performance data into clear insights, recommendations and next steps for clients.
- Collaborate with clients and creative teams to connect media strategy, performance and creative development.

Marketing Coordinator

Avoki | Oct 2024 – Jan 2025

- Developed social media activities aligned with marketing and brand strategy.
- Analyzed performance across Instagram, LinkedIn and Meta to improve future activities.
- Created digital content and marketing materials and collaborated across marketing and employer-branding initiatives.

Digital Marketing Specialist

Piipl | Nov 2023 – Oct 2024

- Managed digital marketing, content and paid social activities across multiple channels.
- Analyzed campaign and content performance to improve future marketing activities.
- Implemented GA4 and GTM to track website engagement and campaign performance.
- Managed website content and improvements through Wix.

Social Media Specialist

Loop54 (FactFinder) | Apr 2021 – Oct 2022

- Managed social media strategy and analyzed campaign and content performance across multiple platforms.
- Cross-functional campaigns doubled CTR and reduced CPC by 20% compared with earlier campaigns.
- Increased engagement by 114% and impressions by 72% within one year.

Social Media Marketing Specialist

Inverse Digital School | Nov 2018 – Mar 2019

- Developed and executed monthly social media strategies, primarily across Instagram and YouTube.
- Planned and created content to improve engagement and brand visibility.
- Worked with micro-influencer marketing campaigns to increase website traffic and expand the company's digital presence.

SoMe & Community Manager

Boomrang Digital Marketing Agency | Feb 2017 – Sep 2018

- Managed social media activities for multiple brands, including Sunich and Castrol, with different business objectives and audiences.
- Developed content plans based on individual client goals.
- Coordinated with content creators to maintain quality and consistency.
- Supported marketing events and social activities designed to increase visibility and strengthen customer relationships.
